ice melter with enhanced  
traction control

## **FAST ACTING**

No Salt® is enhanced with powerful ingredients, which makes it one of the fastest acting ice melters on the market.

## **HOT**

The Calcium Chloride allows it to attack the ice and snow with instant heat!

## **TRACTION CONTROL**

No Salt® contains "Dolomite" for greater levels of safety and performance.

## **VISUALLY MEASURED**

Not only will you see the quick action of No Salt®, specially coated with green color indicator, going to work on the ice and snow, this product will allow precise spreading to ensure cost-effective dispersion.

## **EASILY DISPERSED & EXTENDED SHELF LIFE**

No Salt® is specially formulated with an anti-caking agent to allow for free-flowing dispersion.

No Salt® ice melter with enhanced traction control starts working immediately upon contact. When the formulation comes in contact with the ice and snow, it immediately starts generating heat, which speeds up the melting process, even during low winter temperatures.
